Saffron Automations, LinkedIn profile cover (Aladdin)

Dashed lines: keep out, safe area.

WHAT IT IS FOR

Aladdin's personal LinkedIn profile, in this division's colours. The profile photo overlaps the lower left.

SIZE

1584 × 396 px. Source: LinkedIn Help, "Add or change the cover image on your profile" (first-party, checked 19 Sep 2026). A re-check on 28 Sep 2026 was refused by the site's robots rules.

LEGIBILITY

Shown 390 CSS px wide (a phone), the smallest letter is 6.1 px tall (floor 5.5) and the mark is 29 px (floor 24).

ZONES

All content inside the stated safe area, clear of 1 keep-out zone (avatar overlap). Avatar keep-outs are conservative internal choices: no published numbers for them were found.

WORDS

Canon only: the mark and the canon tagline. Nothing else is written on it. Same artwork as the Saffron master-brand file: the two share a palette, and this layout carries no division name or address.

PROVENANCE

Canon 5cc82d7, mark paths verbatim, one uniform scale; every file gated (mark-gate/1.4.6).
