# Saffron Designs, LinkedIn company page cover

Dashed lines: keep out, safe area.

### WHAT IT IS FOR

The division's LinkedIn company page. The page logo overlaps the lower left, so the content sits right of centre.

### SIZE

1512 x 256 px. Source: LinkedIn Help, "Image specifications for your LinkedIn Pages" (first-party, checked 19 Sep 2026). A re-check on 28 Sep 2026 was refused by the site's robots rules.

### LEGIBILITY

Shown 390 CSS px wide (a phone), the smallest letter is 6.1 px tall (floor 5.5) and the mark is 28 px (floor 24).

### ZONES

All content inside the stated safe area, clear of 2 keep-out zones (avatar overlap). Avatar keep-outs are conservative internal choices: no published numbers for them were found.

### WORDS

Canon only: the mark and the division's role in the canon entity registry. Nothing else is written on it.

### PROVENANCE

Canon 5cc82d7, mark paths verbatim, one uniform scale; every file gated (mark-gate/1.4.6).
