APPROVED · D-11.COVERS · 04 OCT 2026

Saffron Studios, LinkedIn company page cover

Dashed lines: keep out, safe area.

WHAT IT IS FOR

The division's LinkedIn company page. The page logo overlaps the lower left, so the content sits right of centre.

SIZE

1512 x 256 px. Source: LinkedIn Help, "Image specifications for your LinkedIn Pages" (first-party, checked 19 Sep 2026). A re-check on 28 Sep 2026 was refused by the site's robots rules.

LEGIBILITY

Shown 390 CSS px wide (a phone), the smallest letter is 6.1 px tall (floor 5.5) and the mark is 28 px (floor 24).

ZONES

All content inside the stated safe area, clear of 2 keep-out zones (avatar overlap). Avatar keep-outs are conservative internal choices: no published numbers for them were found.

WORDS

Canon only: the mark and the canon tagline (Studios is not described until Aladdin confirms its offer). Nothing else is written on it.

PROVENANCE

Canon 5cc82d7, mark paths verbatim, one uniform scale; every file gated (mark-gate/1.4.6).
